### **I have the following observations regarding the presented bachelor thesis:**

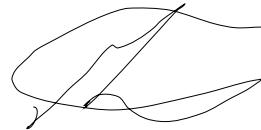

- Project documentation isn't drawn according to ČSN 01 34 20.
- Elevation and linear dimensions are missing.
- Unfinished drawings. (roof, section B-B')
- Incomplete legends, incomplete listing of windows and doors.....
- The wrong drawing staircase.
- The drawing of roof construction is missing.

Submitted bachelor thesis is unfinished and doesn't match the assignment. Bachelor thesis contains serious deficiencies as unfinished drawings and mistakes.
